

## Solano Sub-Basin Groundwater Sustainability Plan Town Hall Meeting

The Solano Groundwater Sustainability Agency Collaborative will hold its next Groundwater Sustainability Plan Virtual Town Hall on Wednesday, August 25th at 5:30 PM.

This event is open to the public, but the primary audience is users of groundwater in the Solano Sub-basin.

This event is one way that people that live, work, and farm in the [Solano Sub-basin](#) can learn about the Groundwater Sustainability Plan (GSP) development process. This Virtual Town Hall will cover:

- Updates on the Solano GSP Development Process, and how to comment on the draft GSP
- Updates on groundwater conditions in the Solano Subbasin, including current modeling results
- An overview of our Sustainable Management Criteria
- An overview of the Projects and Management Actions being considered to help us maintain groundwater sustainability
